

Sparks from the Spa

A PUBLICATION OF SARATOGA COUNTY AMATEUR RADIO ASSOCIATION

It's This SUNDAY the 13th! Come One -- Come All!

The **Saratoga County Hamfest** will be held **SUNDAY, September 13**, from 7 am until whenever. It all happens at Saratoga County Fairgrounds, 162 Prospect Street in Ballston Spa. Talk-in on 147.00 or 147.24 MHz (PL = 91.5 hz).

Bring your gently used ham gear as well as your treasured boat anchors to sell. Or bring your wallet and shop for that gear you've been lusting for. There will be lot's of buying and selling opportunities, AND KJI Electronics will be there with new equipment and accessories.

There's a VE test session at 9 am at the Cooperative Extension (Solar) Building, 50 West High Street (Rt 67 west) in Ballston Spa, 12020.

THIS EVENT RUNS ON VOLUNTEER HELP -- and we need you. Please let us know where you can help out for an hour or two. Here are some possibilities:

- * **Set-Up** the night before the Fest (starts at 6pm Saturday)
- * Selling tickets at the **Gate**
- * Staffing the **Club's Table** -- taking dues/renewals, selling extra doorprize tickets
- * Keeping an **Eye on the KJI booth** to discourage gear from walking away
- * Helping in the **Food Booth** -- making and serving our delicious breakfast sandwiches, pastries, hot dogs, hamburgers, coffee, etc. This is the biggest source of revenue from the hamfest, and it's where we need the most help. "Many hands make light work!" If everyone pitches in nobody will have to work long shifts. Please consider this assignment, where you'll meet more hams than anywhere else.

If you can volunteer for any of these fun tasks, please let Darlene (N2XQG) know at dar@saratogaspringsny.us. Or just let us know when you arrive. (HAMFEST POSTER ATTACHED)

See you at the Hamfest! 73,
Peter - W2BEW

FCC Regulatory Fee for Vanity Call Signs to Disappear September 3

The FCC regulatory fee associated with Amateur Radio Vanity call signs is no longer required.

Beginning Thursday, September 3, 2015, applicants will be able to file all vanity applications (new and renewal) without having to pay a regulatory fee. FCC decided earlier this year to eliminate the regulatory fee component for Amateur Radio vanity call signs because their costs exceed the amount collected in fees.

However, while the requirement to pay a regulatory fee for vanity call sign applications will end on September 3, prospective vanity applicants now will have to wait until after 8am on September 8 to file an application for an available call sign because of the FCC shut down.

Please see ARRL's news stories for more detailed information:

Have you checked the expiration date on your license? It's very easy to do. One way to do it is to go to [WWW.ARRL.ORG](http://www.arrl.org), and just fill in you call sign in the search box. You do not need to be a member of ARRL to enjoy this capability.
