Eyeball QSOs - Out of the box and on the table!

We've held this event for many years, and after
a long winter stuck in the hamshack, many
hams see this as their first chance to get out of
the house and have some radio fun. We always
have a good crowd, and there's plenty of used
gear to look over.

P.S. This is a good time to join the Saratoga Club, or renew your dues too.
